

```
#include<stdio.h>
int main(){

    //Write a C program to check whether a number is even or odd using if-else statement.
    int num;
    printf("Enter a number :");
    scanf("%d", &num);

    if((num%2)==1)
        printf("%d is an odd number", num);
    else
        printf("%d is an even number", num);

    return 0;
}
```
